DETAILED ACTION

Response to Amendment

In view of applicant's amendment filed on January 13, 2005 examiner wish to apologize the confusions on the status of claims which examiner's prior office action was based, due to examiner's overlook of applicant's preliminary amendment made on November 10, 2003. The previously pending claims should include: claims 25-28, and 40-46.

Allowable Subject Matter

Claims 25-28, and 40-46 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 25-28 and 40-46 are allowable because Gano et al at least fails to teach the step piercing the tubular string to form at least one opening in the sidewall of the tubular string specifically recited in claim 25.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frank S Tsay whose telephone number is (703) 308-2170. The examiner can normally be reached on Monday thru Friday, 7:30am-5:00 pm, 2nd Friday off.
